## ABOUT US

Colorado Garden Foundation is a nonprofit corporation. Proceeds from the show are used to provide scholarships for education in the horticulture industry and we support an active grant program which underwrites education and horticulture improvement projects throughout Colorado. The 2023 Show will be our 64th anniversary!

“ This past show was, believe it or not, **THE BEST SHOW WE HAVE HAD** – record number of leads! Thank you so much for putting on a wonderful show that everyone looks forward to every year – the 9-day show is always everyone's favorite. The staff is extremely polite, organized, and helpful. We never have to worry about communication with the organizers & know what's going on and that is such a relief for us.”
