# Welcome to the 2023 Colorado Garden & Home Show

## Show Gives Back 100% of Proceeds to Colorado Horticulture Community. “Denver Public Library Friends Foundation” Entry Garden

Considered one of the premier shows of its kind, **Bellco presents the 64th annual Colorado Garden & Home Show**. This is the largest, oldest, and most prestigious consumer garden and home improvement show west of the Mississippi. It is the only consumer show produced by a 501(c)(3) nonprofit organization that contributes 100% of the proceeds from every ticket sold at the show to provide horticultural-related grants and scholarships to organizations and students across Colorado.

The Colorado Garden Foundation transforms **400,000 square feet of Colorado Convention Center** into a virtual marketplace of the garden and home improvement products.

This year, the Colorado Garden Foundation will recognize its 64-year legacy with a grant ceremony, awarding more than \$550,000 this year in grants to horticultural projects across the state, bringing the total contribution to date of scholarships and grants over the years to more than \$12 million.

### Inspiring Gardens

As in past years, the Colorado Garden and Home Show will showcase **8 inspiring landscaped gardens**, with this year's Entry Garden featuring the Denver Public Library Friends Foundation. The garden will showcase a reading nook, a nod to Red Rocks, and more!

### A Marketplace of Ideas

Visit the theater at the end of aisle 1200 where there will be **40 educational seminars** on a variety of topics, all covered with the cost of admission. Be sure to check out the beautiful gardens and get ideas, inspiration, and advice from more than 500 companies from 25 states that introduce new technologies in landscaping, gardening, energy-efficient heating and cooling products, windows and window treatments, siding, flooring, lighting, indoor and outdoor fireplaces, patio furniture, roofing, gutters, storage systems, decks, spas and more!

### What Else to Look For

- Master Gardeners from Colorado State University's Cooperative Extension Service will answer gardening and horticulture-related questions for free. Look for them in their bright green aprons in the CSU Education Garden.
- Buy perennials for \$2 per pot. On Wednesday, February 8th, starting at noon, fading show flowers will be on sale to the public for \$2 per pot with the proceeds going to the Arvada Rotary. Most of the potted flowers are perennials and are a great deal for those looking to add to their gardens, or to bring some fresh color into their homes.

### Show Hours and Pricing:

# 7 Tips for Getting the Most Out of the Colorado Garden & Home Show

*Here are some hints to help you get the most out of your visit to the Colorado Garden & Home Show:*

## 1. Review the Program Guide

Use this Official Show program listing all exhibitors and product categories to find the companies and products you are seeking.

## 2. Attend an Education Seminar

An important part of the Colorado Garden & Home Show is the ability to find people who know how to build, remodel, design, landscape and provide the products and services you need. Another way is to attend an education seminar. Seminars are held in Theater at the end of aisle 1200 and are included in the price of admission.

## 3. Don't Just Browse – Talk to Our Exhibitors

If you are interested in a product or service, leave your name, email, and phone number, and ask the vendor to follow up with you after the show.

## 4. Carve Out Time to See it All

More than 500 companies exhibiting in 400,000 square feet showcasing thousands of products and services. Plus, there are eight gardens to stroll through.

## 5. Slow Down and Smell the Flowers

There are more than 8,000 blooming flowers comprised of 75 varieties of annuals, perennials and bulbs, and hundreds of flowering trees and shrubs. Don't miss the Education Garden where you can get all your questions answered by CSU Master Gardeners. Take time and enjoy this little bit of spring in the middle of winter.

## 6. Pick a Meeting Place

In case you get separated from your party, we suggest meeting at the Lost Person area near the Information Center inside the show entrance.

## 7. Be Ready to Shop

There are many items you can purchase right at the show. In addition, exhibitors may offer special show pricing so be prepared to purchase while attending the show. If you don't have cash on hand, an ATM is available inside the Convention Center.

Take a stroll through Colorado Landmarks as we celebrate the Denver Public Library Friends Foundation and the commitment to keeping Colorado History alive. The Denver Public Library has helped to preserve and protect Colorado History for generations, and we invite you to take a look at some amazing pictures provided from the DPL to inspire our display. We wanted to take some of the natural beauty our state has and give some historical context to these amazing sites. From Garden of the Gods, to Red Rocks Amphitheater please enjoy your stroll through time.

[www.ArtisticLandscaping.net](http://www.ArtisticLandscaping.net)

Our garden is inspired by the vibrant large estates found in Spanish speaking regions. The terracotta-colored stucco walls give the feeling of spending a sunny afternoon in the courtyard and the traditional Mexican Talavera pottery & tiles are a colorful detail that will remind you of a beautiful country. Metal cactus statues in the garden and wood accents throughout give our garden an authentic hacienda vibe. Sit by the fireplace and enjoy some tequila or spend quality time preparing a meal in the outdoor kitchen, I promise you will want to stay a while!

[www.wesminsterpublicschools.org](http://www.wesminsterpublicschools.org)

We have worked with schools across the state as well as the FFA State Officers to create a picture of what agricultural education looks like throughout Colorado. Agriculture is vastly different from the plains, to the urban areas, and from the mountains and beyond. We strive to educate the public on the importance of agriculture in the classroom as an answer to the gap between agriculture and everyday life continues to grow.

The National FFA Organization is a student leadership organization rooted in agricultural education and teaches students premier leadership, personal growth, and career success. We invite you to explore the world of Agricultural education!

# Show Proceeds Awarded in Scholarships and Grants

Colorado Garden Foundation (CGF), a non-profit that funds horticultural-specific projects and scholarships throughout Colorado, has awarded a **full-ride scholarship to Mya Kevil** of Westminster, Colo. Mya received a full four-year scholarship to Colorado State University and started her journey at CSU as an incoming freshman last fall.

**The CGF scholarship program covers the tuition, room & board, fee, and all supplies for four years for a student attending a public college or university in Colorado. There are currently four full-ride CGF backed students attending Colorado State University.**

Mya joins the ranks of 16 other current students and alumni who have benefitted from Colorado Garden Foundation’s scholarship program since its inception in 2007. **Additionally, Colorado Garden Foundation contributes grant funding annually to support various horticultural endeavors across the state,** helping fund projects from educational and healing gardens to food banks, parks, and trails. This year, Colorado Garden Foundation celebrates its 64-year anniversary and its legacy of contributing more than \$12 million across the state to date. **The 2023 grant and scholarship program will award more than \$700,000.**

“I have the greatest job in the world, at least that’s the feeling I get when I

award grants and scholarships to deserving organizations and individuals, using ticket proceeds from our shows each year,” said Jim Fricke, Executive Director for Colorado Garden Foundation. “Awarding a full-ride scholarship to Mya was especially rewarding for me and for everyone on our Board this year. We’ve never met a young person quite like Mya. She will succeed and we are proud to give her the financial support to do so.”

Colorado residents who are high school seniors and intend to pursue a horticultural area of study are encouraged to apply for the scholarship program each year, which places an emphasis on need of students applying. Colorado Garden Foundation grants, which are also awarded annually, are considered through an application process as well, and range from \$200 to \$15,000, with funds supporting community gardens, greenhouses, horticulture therapy programs, healing gardens, children’s reading gardens, landscape and trail improvements, bird habitats and educational gardens and programs, just to name a few.

**Since the 1970s, Colorado Garden Foundation has awarded more than \$12 million to more than 500 organizations in Colorado,** using ticket proceeds from the Colorado Garden & Home Show and Colorado Fall Home Show, both taking place annually at the Colorado Convention Center. To learn more about our grant and scholarship program please visit [www.ColoradoGardenFoundation.org](http://www.ColoradoGardenFoundation.org).
